Product Name: Cartigel

**Description:** Cartigel is a dry powder Food Supplement formula designed to promote the return of balance in cartilage metabolism and preserving joint health\*.

**Uses:** Nutritional food supplement to be dissolved in liquids for supporting joint health.

**Ingredients:** Cartigel is made of 3 functional ingredients recognized as GRAS (“Generally Recognized As Safe”).

*Bioactive Collagen Hydrolysate* is a special pure protein. Available clinical studies suggest a positive effect preserving joint health and stimulating cartilage cells\*. Collagen Hydrolysate is 97% pure protein containing 30 amino acids. Collagen Hydrolysate is soluble in cold water and fully digestible.)

*Plant-Based Glucosamine* (an amino sugar that the body produces and distributes in cartilage and other connective tissue. The Glucosamine in the Cartigel formula is vegetarian-derived. Dozens of studies and human clinical trials have demonstrated it’s benefits\*. Glucosamine is one of the top-selling products in the supplement market.) *Curcumin* (the third ingredient in Cartigel is a common spice used in South Asian cooking, turmeric and more appropriately, the component curcuminoids, have been clinically validated for their beneficial role in maintaining health and wellness\*. It is part of the Cartigel formula for it’s anti-inflammatory support.)

**Packaging:** Comes in designer boxes containing thirty (30) 12grm Stick-Packs (2.4oz.) of active ingredients. Shipping cases of twelve (12) 30 packs are also available and can be palletized 60 to 120 cases. Individual boxes are marked with batch numbers and date of manufacturing.

**Shelf Life:** Under dry and odorless conditions, Cartigel can be stored for 3 years without loss of quality.
